SB/SE friends,

It has come to my ears that 3,500 SB/SE probationary employees will be fired by the end of the week unless a federal court enters an injunction.

This is heartbreaking and unjust.

Please take the time left to get your records printed down and print the information I sent you. You can reach me with questions at my personal email address bilboj1@msn.com. My union email john.b.siegmund@nteu48.org or IRS: john.b.siegmund@irs.gov

This fight is not over and this injustice will not go unanswered.

I am sorry I couldn't do more at this time.
